City to Host Open House on Final City Hall Design Proposal

Members of the public are encouraged to attend for an update on Widesth's final City Hall Design Proposal at 8319 County Road 11, Breezy Point, MN 56472.

Breezy Point, MN – The City is seeking public comment on the future of City Hall through a Community Open House scheduled for Monday, November 27, from 5:00 – 7:00 PM. The event will give community members an opportunity to provide input on the proposed design for City Hall and ask questions of staff and architects.

Comments received from the Open House will be processed by architects and designers at Widesth, the City's contractor, for consideration by the final design committee.

In the meantime, a small exhibit has been constructed at City Hall where members of the public can submit comments during regular business hours. Alternatively, interested parties can comment and review relevant documentation on the City's website at <https://www.breezypointmn.gov/city-projects/page/city-hall-facility-assessment>.

##

The City of Breezy Point, set in beautiful natural surroundings with abundant recreational amenities, strives to provide secure and enjoyable neighborhoods for residents and visitors of all ages. The City and residents work together to sustain planned commercial, residential, and recreational growth, while building upon social connections and identity for the community.
