

Welcome to the City of Breezy Point project page. This section of the website is dedicated to hosting a record of the Breezy Brief: E-Newsletter published monthly, the Breezy Brief: Bulletin published quarterly, and important projects undertaken by the City. Please click on the drop down menu of your choice below to see the webpages for specific projects. Alternatively, links to both editions of the Breezy Brief and currently active projects are provided on the sidebar to the left. If you have questions or comments, please email Daniel Eick at [deick \[at\] cityofbreezypointmn.us](mailto:deick@cityofbreezypointmn.us).

Organizational Assessment

In August 2023, the City Council called for an organizational assessment to be conducted on the City. A Request for Proposals (RFP) was issued shortly thereafter for an independent, 3rd-party consultant to conduct the assessment. The City received 7 responses to the RFP, and the City Council...
